

Welcome to Your New Credit Union Family!
From Christopher Bruno, CEO of McKesson & Healthcare Providers Federal Credit Union

Dear Valued Members of Matson Employees' Federal Credit Union,

It is with great excitement and heartfelt sincerity that I welcome you to McKesson & Healthcare Providers Federal Credit Union. As of July 1st, MEFCU and MAHPFCU have officially come together as one unified credit union — stronger, more resourceful, and even more committed to your financial well-being.

This merger represents more than just a name change — it marks the beginning of a future filled with new possibilities. Together, we will continue to deliver the exceptional service you've come to know and trust, now backed by enhanced products, better digital tools, expanded loan options, and increased access to financial guidance and education. Your experience will only get better from here.

I want to extend a special thank you to the dedicated MEFCU staff—Sunny, Durene, and LaShonda—who have been instrumental in making this transition smooth for all. I also deeply appreciate the support and leadership of the MEFCU Board, whose thoughtful guidance helped make this merger a reality. Your commitment to the members has not gone unnoticed.

On behalf of the entire McKesson & Healthcare Providers FCU team and membership, I welcome you with open arms. We're excited about this new chapter and truly honored to serve you.

Should you have any questions or need assistance, our team is ready to help.
